

"People who love to eat are always the best people"

- Julia Child -

*Once the home of Mr Tran Van Huong, the Vice President of the Southern Vietnamese Government before 1975, The Chopsticks resonates with stories of the people who visited its famous owner. Many of the original features of the villa have been retained in the renovation: beautiful wrought iron gates and windows, the garden entry, the sweeping staircase, earthy timber work and the soft, natural light. The food is authentic Vietnamese: delicious, fresh flavours, quality ingredients, imaginative menus all showcase the best of traditional cuisine. A world class wine list and a range of signature cocktails ensure dishes have the perfect accompaniment.*
